# Dedication

To That long, long line of students  
who will follow through  
the years . . .

May you capture the Spirits of Hubbard:  
Vitalizing influence that unifies  
and strengthens,  
Inspires a vision of your best self;

Mentor in your march to competence,  
integrity, and achievement; that thus  
You build and unfold a better world.

THE CLASS OF 1960

## Superintendent's Message

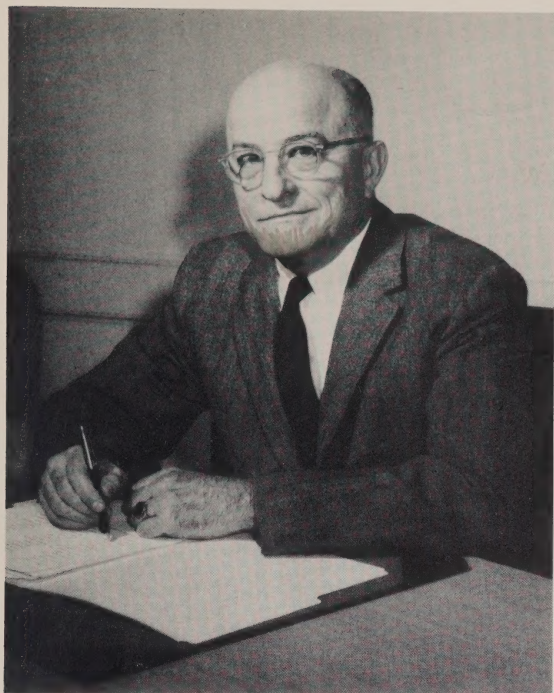

It is my pleasure to congratulate you on the completion of the first year of operation of the Hubbard Junior High School.

The combined efforts of your administration, teachers, and you, the students of this school, have made possible this very fine record of achievement. You should be justly proud of the part that you have played in the successful opening of your school.

I hope that your future educational efforts will meet with equal success.

VICTOR J. PODESTA  
Superintendent of Schools
